

Quit Business SALE!

Copyright 1904 by
Hart Schaffner & Marx

B EING now well advanced in life, and having been engaged in merchandising at Brunswick for the past 41 years, I feel I am entitled to retire and have determined to quit business and take a well-earned rest; hence I am going to offer my immense, up-to-date \$47,000 stock of

Clothing, Boots,

Shoes, Hats, Caps,

DRY GOODS

Ladies and Gents

Furnishing Goods

CARPETS, RUGS, LINOLEUMS, ETC.,

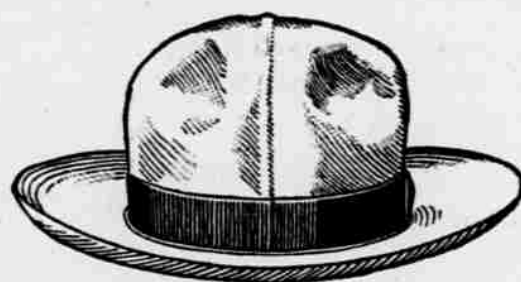

**at Actual Cost and Many
Articles Far Below Cost!**

MY reputation for handling first-class goods is well established, and I wish to impress upon one and all that this Great Quit-Business Sale means that we have bargains on every hand such as you cannot afford to miss. Our at cost and even less than cost prices will be maintained throughout and that, too, notwithstanding the advance in all goods in my lines. These are cold facts, but they are "the hot stuff," and now is the time for you to strike. Our cost mark will be displayed on large signs and a child can understand it as well as an adult.

W E have the kindest of feelings for the people of Brunswick and Chariton County, where we have made our home for so long, and now they have a chance to help us to get out of business and at the same time save many dollars for themselves. "Seeing is believing," and all you have got to do is to come to our store and we will prove to you the truth of every assertion contained herein.

W E quote no prices for the reason they speak for themselves. We've got the goods and you need them and should buy them while they are to be had at such a great sacrifice.

As soon as the stock is closed out my store-room will be for sale, and if not sold it will be for rent.
